MEDIA PACKET

ionART, Northwest Arkansas Edition was created to promote the arts of Northwest Arkansas by connecting the dots within the art world of the region and presenting the growing scene as a whole in fresh detail.

With the approach of Crystal Bridges Museum of American Art in Bentonville, each community in the region is working to better organize and present its arts and cultural offerings. *ionART, Northwest Arkansas Edition* - offering artist profiles, reviews of exhibits and shows, calendars of events and more - is a stage for each of these communities to sing the voice of its art and to present its unique cultural diversity.

ADVERTISING GUIDELINES

Digital Artwork Guidelines:

ionART, Northwest Arkansas Edition welcomes digital art submissions. In order to ensure the highest quality in the printing of your ad artwork, we ask that you follow the guidelines listed below.

Email submission: Melody Rust
melody@ionartmag.com
(479) 244-6078

Compatible Media: CD or DVD

Preferred Format: Portable Document Format (.pdf). Please make sure fonts in the original document are converted to outlines, if possible, or embedded to ensure file integrity is maintained.

Photoshop (.psd): When submitting Photoshop files, please make sure they

are at least 300 dpi, CMYK, and flattened to avoid font substitution problems.

InDesign (.indd): When submitting InDesign files, please make sure to “pre-flight and package” the document and that all fonts used in the document are included on the disk. NOTE: fonts can be outlined in this document format but will not be editable in the event changes are needed.

QuarkXPress (.qxd): When submitting Quark files, please “collect for output” and include all files on the disk. Please include all fonts used in the document.

Adobe Illustrator (.ai): When submitting Illustrator files, all text must be converted to outlines. This eliminates font substitution problems. Please include

any placed artwork on the disk and make sure all colors and placed artwork are in CMYK values.

Photographs and Artwork: Photographs and artwork must be submitted as a 300 dpi, CMYK, TIFF or JPEG file. Black and white photographs and artwork must be submitted as a 300 dpi grayscale TIFF or JPEG file.

Please include a hard copy of your artwork and make sure your submission is clearly labeled with the following information:

- Name of the advertiser
- Name of the file
- Issue run-date(s)
- Contact information

Bleeds:

Offered on full page ads.
Add .125" bleed around outside edges of trim size, and text must be placed .25" from edge to avoid loosing it in the gutter.
